

Phreesia

The Patient Check-in Company

Increase your collections both inside and outside of the office!

Wireless touchscreen PhreesiaPad – Phreesia is HIPAA- and PCI-compliant, and preserves the privacy and security of patient information. **Phreesia replaces all merchant processing fees.**

Phreesia SmartPay Package: The flexible and convenient add-on solution for patient collections, helping you get paid **in full** and **on time**.

Payment Plans

- Boost collections by giving patients the flexibility to split large balances into manageable monthly payments
- Ensure that you get paid on time and in full by setting up automatic monthly payments

Online Payments

- Collect payments outside of the office by allowing patients to pay balances online or via mobile device
- Email patients who leave the office with a balance on file, prompting them to pay online

Card on File

- Reduce risk of uncollected balances by securely storing patients' credit cards with Phreesia's PCI-compliant system
- Offer patients the convenience of storing a card on file, which can be accessed for all authorized payments

30 percent of patients leave their physician's office without making any payment. Don't let that stand in the way of your collections.
